## 4 Bedrooms And a Ripper Home.

The reason that you should choose this great family home is that it offers 4 good sized bedrooms all with built in robes, the master offering a walk in robe and full ensuite. As for the living zones well there is 3 of them, a formal lounge, a rumpus room and a family area that joins the well appointed kitchen with all of today's mod cons and meals area, from there you can go outside to the alfresco area and the extremely low maintenance back yard. Topped off with ducted heating and cooling all bases are covered. Positioned with public transport near by and a milk bar basically at the end of the street this home is a must see.
